

RETRACTION

The editorial team of the Brazilian Journal of Plastic Surgery announces the formal publication of Retraction requested by the authors: Morais TB, Veiga DF, Sabino Neto M, Ferreira LM, for article extraction:

Morais TB, Veiga DF, Sabino Neto M, Ferreira LM. Quality of randomized clinical trials published by plastic surgeons: a long-term follow-up study. *Rev. Bras. Cir. Plást.* 2019;34(1):86-93. DOI: <https://doi.org/10.5935/2177-1235.2019RBCP0013>

Since it was proven duplicate publication of the article, made available in the journal:

Morais TB, Veiga DF, Sabino Neto M, Ferreira LM. Quality of Randomized Controlled Trials Published By Plastic Surgeons: Long-Term Follow-Up. *Aesthetic Plast Surg.* 2019;43(3):866-73. DOI: <https://doi.org/10.1007/s00266-019-01335-3>
