

## Letter to the Editor

### Credit for figure published in the article “Reconstruction of the lower lip after a horse bite: Description of the technique and anatomical review”

To the Brazilian Journal of Plastic Surgery

Dear Sirs,

I would like to request your approval to cite the use of figure number 22.8, page 447, chapter 22, of the book entitled “Plastic Surgery” by Jorge Fonseca Ely, 2<sup>nd</sup> edition. Rio de Janeiro: Guanabara Koogan; 1980.

This figure created by Professor Fonseca Ely himself was published in the Brazilian Journal of Plastic Surgery, 2010, 25(4), page 721, along with a copy of the original signature of the author<sup>1</sup>.

I look forward to giving proper credit to the true author of this figure in future editions of this journal.

Sincerely,

**Pedro Bins Ely**

MD, MSc, PhD, Associate Professor of Plastic Surgery, Department of Clinical Surgery of Faculty of Medicine at Federal University of Health Sciences of Porto Alegre UFCSPA; Chairman of the Plastic Surgery Service, Irmandade Santa Casa de Misericórdia de Porto Alegre; President of the SBCEP-RS

Correspondence received: March 30, 2011
